Subject: Revised TD for West Lake Landfill
TO 4 TD West Lake Landfill 121615 gc.docx

Dear Ben and Mary,

I've attached a revised version of the TD for West Lake Landfill to reflect our phone conversation on Monday. I have highlighted additions or language changes so they are easy to spot. You'll notice that I also deleted some language and moved some as appropriate, given the changes we discussed. I would like to send this to Steve Garon at SRA as quickly as possible, and I know you'll be out of the country after today, Ben, so please let me know if it looks good to you or if you have any questions or concerns.

I will be out of the office until about 3:30 p.m. EST for a holiday party, but then I'll be back in the office from 3:30 to 5:30.

Best,

Gina
